### **Public Finance Management Reform Implementation Support Project**

#### **Public Sector Governance**

#### **GENERAL PROCUREMENT NOTICE**

**IDF Grant No. TF019355**

**Project ID No. P158799**

The Republic of Turkey has received a grant from the World Bank's Institutional Development Fund (IDF) in an amount not to exceed seven hundred eighty thousand United States Dollars (USD 780,000) toward the cost of the Public Finance Management Reform Implementation Support Project, and it intends to apply the proceeds of this grant to payments for non-consulting services and consultants' services to be procured under this project. The objective of the Project is to strengthen public finance management reform implementation of the Recipient for increased accountability and efficient usage of public resources in the public sector. The Project consists of the following parts:

*Part 1: Strengthen internal control practices in the public administrations*

Provision of consultants' services and training and workshops to strengthen internal control practices by updating public internal financial control legislation, preparation of risk management manual, piloting of risk management manual in public administrations with different budgetary structures, revision of the manual after pilot studies and training of personnel of public administrations and design of risk management software for public administrations, preparation of user guide and training for trainers for central harmonization unit and strategic development units personnel on this issue.

*Part 2: Development of the program classification and program structure for efficient budgeting.*

Provision of consultants' services and training and workshops; to design the programs and prepare program justifications including program performance information, to develop techniques for program costing, program monitoring, evaluation and reporting; and to enhance the administrative capacity of Ministry of Finance and public administrations by providing; i) training events on program development, design of performance information, budget negotiation techniques and awareness raising activities for managerial level; ii) prepare a web portal on program budgeting; iii) good practices paper including other country experiences.

*Part 3: Strengthen accounting and financial reporting system in the public sector.*

Provision of consultancy service to establish integrated commitment system within the framework of information produced by means of detecting commitment and contingent liabilities, particularly future social security liabilities, and then migrating these financial operations to the accounting system; develop an electronic procurement model suggestion for public sector by gaining information about electronic document and report formats; obtain information about criteria of public administrations for preparing and publishing financial statements in structures in which Unity of Treasury is implemented; obtain information about harmonization of national accounting legislation to the IPSASs, recognition of underground resources and buildings on lands, as well as international practices of IPSAS 32 (Service Concession Arrangements)

Procurement of contracts financed by the World Bank will be conducted through the procedures as specified in the World Bank's Guidelines: Procurement of Goods, Works and Non-consulting Services under IBRD Loans and IDA Credits and Grants by World Bank Borrowers dated January 2011 and revised July 2014 ("Procurement Guidelines"), and is open to all eligible bidders as defined in the guidelines. Consulting services will be selected in accordance with the World Bank's Guidelines: Selection and Employment of Consultants under IBRD Loans and IDA Credits and Grants by World Bank Borrowers" dated January 2011 and revised July 2014 ("Consultant Guidelines").

Specific procurement notices for contracts for consultancy services will be announced, as they become available, in UN Development Business online and Bank's external website, Official Gazette and/or national newspapers and electronic portal of free national and international access website of Ministry of Finance of Turkey
